TENNESSEE BIVER.

We cannot do more, to-day, than call the attention of our merchants to a circular in regard to Tennessee river improvements, on our local side. It will well repay perusal; and, we hope, will have the effect of enlisting the practical sympathy of our Chamber of Commerce. Our merchants, busicess men and mechanics are particularly interested in this work, and should assist it, if in ne other way, by their volces and energy.
